MANNERISMS AND APPEARANCE

CHARACTER BACKGROUND

Arcane Refugee
 A great conflagration of magic enveloped your home when you were a child. Your family fled, and your parents became bitter, angry people who denounced spells and those who worked them. Your family never explained to you the nature of the magical disaster that destroyed your home (and perhaps even the city or region where you lived as a child). This event stirred a great curiosity in you because of a strange red scar you have on the back of your hand—a remnant of your flight
